EDUCATION

Middle School Diploma

Azimieh Middle-School/Tehran

09/2018 - 06/2021

Mathematics

Sepehreh-Danesh/Tehran

09/2021 - Present

Grade

- Tenth grade

WORK EXPERIENCE

DevOps Intern

Tehran/By Whatsapp Group.

06/2021 - Present

Well, I have worked and performed as a group member on this messenger to discover things related to DevOps with my teammates.

Achievements/Tasks

- Installed Linux(Ubuntu) and acquired its knowledge thanks to LPIC-1 & LPIC-2 within a month.
- Learned Nginx, docker, Linux with a 9-year-old PC but never gave up!!
- Explored different resources productively to realize individual methods.
- Increased discipline by generating plans so that the team could utilize their time properly.
- Improved teammates' English by suggesting that they put an effort into following English tutorials which helped them be 50% more efficient.

CAPABILITIES

Linux
